

**THE ANNUAL
RUN TO
REMEMBER**

Hosted by the Riverhead Administrator's Association
www.riverheadr2r.com | r2r@riverhead.net

Dear Patron,

On Sunday, May 19, 2019, the Riverhead Administrator's Association is hosting a 5K run/walk in memoriam and honor of loved ones from the community who are no longer with us. This event will not only celebrate the memories of loved ones lost, but will bring healing, love, and support for all families, faculty, staff, and community members.

The Riverhead Administrator's Association is in the process of collecting donations for our Run to Remember event. **We are looking for corporations, local businesses, and community members to donate one or a few of the items that we will need to make our event a success.** By donating items, you will help us meet our goal of celebrating those lost and provide funding for the Riverhead High School's Senior Class scholarships. All donations would be greatly appreciated; please use the attached donation list. **We ask that all donations be dropped off at 7:00AM – the morning of the event – in the Riverhead High School Gymnasium.** If you would like more information on corporate sponsorship opportunities, please visit our website and view our 2019 Sponsorship Kit.

Thank you for your support,

Patrick Burke
